## D. C. Police Chief Claims Police Force Is Carrying Out Policy Of Keeping City Clean Of All Gambling

Daly City is NOT a "hotbed of bookies," W. W. Sunderland, police chief, asserted today.

Recently Dr. S. J. Guardino, law enforcement chairman of the grand jury, used the aforesaid quote to describe conditions in the community. His words were prompted by the recent murder of Martin Breslauer.

In a signed statement to "The Record," Chief Sunderland said today:

"The policy of the City of Daly City as laid down to me is, and always has been, to keep the city clean of any kind of gambling, punchboards or bookmaking. The Police Department has endeavored to follow out this policy and has been more successful than in many other communities.

"During the past several months, working in cooperation with other law enforcement agencies, approximately a dozen telephone bookies have been located and the Police Department has had their telephones removed. This is a matter of record. However, it is difficult to locate and convict a telephone operator, but the Police Department is alerted to conditions and is doing its level best to keep ahead of them.

"The Breslauer case appears to be a robbery, with the culprits becoming either panicky or perhaps they were 'hopped up,' resulting in the shooting of the victim. We have enlisted the top enforcement and investigative brains in the area to help solve the crime and are working closely with the Homicide Squad of San Francisco. The District Attorney, Sheriff's Office and agents of the Attorney General are also assisting in the case."

## City Officials Study S. F. Sewage Tie-In Proposal

Whether or not Daly City pipes its sewage into the San Francisco Sunset district plant, at a cost of \$250,000, may be decided within the next few weeks.

Earlier in the week the city received a reply from San Francisco on the proposed tie up. Mayor Paul Green said the reply had to be studied before any answer was forthcoming from Daly City. On the whole, however, he reported it looked "relatively favorable."

At the present time Daly City is using the ocean as its principal method of disposal. Under a state law, cities are now required to find some other method of dumping sewage.

After a complete survey of the situation, City Engineer R. A. Klassen reported that the best possible method of disposal would be to run a pipe line into the San Francisco Sunset district sewage (Continued on Page 6)

## Daly City Community Chest Drive Begins Monday; \$2,500 Quota Sought For Red Feather Agencies

Give a nickel or \$500, but give something to the Community Chest. Mrs. Jane Keith, residential drive chairman, said today as the drive got underway in Daly City.

Though the Community Chest Drive started in San Mateo county on October 1, it will not begin officially here until October 10, running for one week until October 15.

This year's quota is set at \$2,500. It was confident this sum could be raised within the next week.

However, in order to get donations, help is needed by anyone with a few spare hours.

Those wishing to serve as "block captains" and to solicit money from their neighbors are asked to contact one of the following persons: Mrs. Keith at JUniper 4-3576; Mayor Green at the city hall; Frank Lombardi, business chairman.

Other numbers which can be called include: Mrs. Francis Windhurst, JU 7-2332; Mrs. Marie Sorenson, JU 4-9452; Mrs. Agatha Hayden, JU 4-9149; Mrs. Keller, JU 4-5079 and Mrs. Hobbs, JU 7-9792.

Mrs. F. W. Brehm is the chairman of the drive in Broadmoor Village.

All the money from the Community Chest is used to support Red Feather agencies. These include: Children's Health Home, San Mateo County Blood Bank, Boy Scouts, Girl Scouts, Y.M.C.A., Council of Social Agencies, Catholic Social Service and Family Service Agency.

## Annual Policemen's Ball Tickets Now On Sale

Next time a Daly City officer threatens to write out a ticket, ask him for a ducat to the Policemen's Ball October 29.

You may get one, or both the tickets, but at any rate you'll have assured yourself a good time dancing with Harry Diner's orchestra at the county Fiesta building.

The ducat will also be doing some orphan a great deal of good. All money from the annual dance goes to support the Peninsula Police Officers' Association widows and orphans aid.

Art Tremblay, well-known Bay area decorator, will prepare the hall for the dance. He states he is (Continued on page 2 col. 6)

## LETTER TO THE EDITOR

October 3, 1949

Daly City Record  
Daly City, Calif.  
Gentlemen:

The indignation being expressed over the manner in which our city government is now being conducted, the shame of the people over the bad publicity we have received and their determination to revert to the clean government and wholesome atmosphere of past years, prompts this letter suggesting that the Daly City Record assume leadership in this most worthy endeavor.

There are those who will contend that the type of government our city now has is prevalent throughout the country and especially in communities near or adjoining large cities and that nothing can be done about it.

However, you as well as those who have lived in this area in past years know our city government can be kept clean regardless of the ever-present few who would put their selfish interest ahead of the interests of the people in general.

Your paper has over the years successfully used its influence to make our community the kind of a city so well enjoyed and appreciated by our older residents and so earnestly desired by our new comers who have established their homes here with every right to expect that it would continue to be a good place to reside and rear their families.

There is much speculation as to what the attitude of your paper will be but judging by the policies of the owner of the Record over many years, I have full confidence that the people of our city can depend on your leadership and on a mutual endeavor to eradicate the present bad conditions and to have the type of government that they as home-loving folks desire.

Very sincerely yours,  
H. H. SMITH

## D. C. Police Quiz 24 Witnesses In Bookie Slaying

Repercussions of the last Thursday slaying of San Francisco bookie Martin D. Breslauer were still ringing in Daly City today.

The ring was loudest in the police station where Chief of Police W. W. Sunderland met hourly with county and state agents in an effort to turn up any possible clue as to the murderers.

To date 24 people near or close to the murder scene at Los Banos and San Diego avenues have been questioned. From their answers, police have been able to trace "several" suspects, and have questioned four. All four have a "tight" alibi, Chief Sunderland said.

After a week of confusion, Chief Sunderland still sticks to his theory that the men who killed Breslauer did it with robbery in mind.

Chief Sunderland constructs the crime as follows:

(1) Breslauer left his bookie joint, above a grocery store at Los Banos and San Diego avenue, a few minutes after he placed a call to San Francisco associates at 5:26 p. m.

(2) He then walked out of the store, and was spotted by one of the three men waiting outside. The two other killers whipped up in a car, jumped out and forced Breslauer against a fence.

(3) When the bookie called for help, one of the two men hit him on the shoulder, knocking him to the pavement. The two other men then fired two shots at Breslauer. One shot, from a .38 calibre revolver, was fatal. It lodged in the bookie's heart. Police still haven't found the other slug.

As Breslauer allegedly was carrying from \$10,000 to \$20,000 cash in his pocket, and was found with only \$3,800 Chief Sunderland contends the murder was for money. The men grabbed what money they could, after they shot Breslauer.

However, there is still some question as to whether or not it was just robbery or gang warfare. Chief Sunderland says robbery, but some other state agencies say it may be a continuation of the explosion set off in the crime world with the Micky Cohen shooting in Los Angeles two months ago.

Taking no chances that there may be some connections with this murder and others throughout the state, Chief Sunderland today said he has sent the bullet that killed Breslauer to the State Bureau of Criminal Investigation.

The bullet test is being made as a matter of routine. However, some agents investigating the crime seem to believe the bullet may be of the same calibre and type used to kill Maurice Malter, Los Angeles character, at Crystal Springs three years ago.

## Young Girl, Boy Sustain Injuries Over Weekend

Paying brief "visits" to Junipero Serra hospital over the week end were a Daly City three-year-old girl and a 12-year-old boy.

Barbara Jean Lopez, 3, 17 Theta avenue, was treated for a cut tongue. She bit her tongue when, chased by an unidentified dog, she ran and fell. The "chase" occurred at 12 p. m. Sunday. She was treated and released from the hospital.

Sustaining lacerations on the back of his head at 5 p. m. Saturday was James Ferretti, 12, 371 Woodrow street. The youth cut his head when he fell off a chain he was swinging on adjacent to the Daly City Theatre.

Several stitches were taken in his head, and he was released from the hospital.

## Paid Correspondents Wanted In Broadmoor, Colma, Garden Village

The "Daly City Record" wants correspondents in the BROADMOOR, COLMA and GARDEN VILLAGE areas. These part-time news writers are needed so this paper may better serve the readers in the aforesaid areas. It is preferred that correspondents be active in club and social work in their respective districts. Correspondents WILL BE PAID for their copy. Anyone interested is asked to contact the "Daly City Record" at 3317 San Jose Avenue, Daly City, or phone JUniper 5-3215.

## City Council Approves Property Purchase For Parks, Center; Hopes To Sell \$396,000 Bonds By January

Moving rapidly ahead with the \$396,000 city parks and War Memorial Community Center projects, the city council Monday night approved options to purchase several pieces of property.

Mayor Green also later announced that bids for the bonds will probably be asked for at the next meeting of the council, Monday, October 10.

The city hopes to have the bonds sold by approximately January 1, 1950. When this has been completed, work will get underway on both the parks and the community center, Mayor Green said.

The Mayor also announced that Mario Ciampi, architect for the \$295,000 War Memorial building, is now preparing detailed plans for the center.

Although no great amount of work can get underway until the bonds are sold, the city is doing everything possible to have plans completed by January 1.

Mayor Green said the city has contacted owners of all property the city will need for its new parks and community center. Options on the land will be taken up in the near future, the Mayor asserted.

Meanwhile, Monday evening the city approved property purchase options for lots between Mission and Hillside boulevard. The lot, to cost the city \$1,800, will be part of the site for the new community center.

Another option to purchase 10 lots in the Abbey Homestead for the proposed Edgewood park was also approved by the council. Price of these lots was fixed at \$2,950.

In still another move to improve the city, the council passed a resolution for improving the Edgemark subdivision. This will consist of putting in paving, sewers, and curbs on land roughly bordered by Frankfort, Lowell, Edgemark and Vista Drive.

The Eaton and Smith Co. of San Francisco was awarded the contract for improvement of Alp street from Hillside boulevard west. The Smith Co. made the low bid for the job at \$1,602.

A resolution canvassing votes in the September 27 election was read and approved.

On the recommendation of Police Chief W. W. Sunderland, David Hansen, having served a six months probation period with the police department, was appointed as a regular police officer.

A structure at 233 Los Olivos was ordered torn down within the next 30 days. In another abatement hearing a building at 121 Westlake was discussed. However, as the owner was not present, the hearing was put off until the next meeting of the council, October 10.

Three resolutions commending three retiring firemen on their years of service to the community were read and approved. The three retiring are: Larry Shaw, 36 years service; Peter Benassini, 29 years; and Morris Herscovitz, 30 years.

The appointment of Evelyn Mosman as personnel clerk to assist the city clerk, was approved in a resolution.

## DC Man Reluctant Rifle Target

Talking to a friend on a Daly City corner Monday morning, William Bradshaw, 141 E. Vista, almost became a second gun shot casualty in this community.

First one, then several .22 calibre bullets whizzed by his head. Needless to say Bradshaw and his unidentified friend "hit the dirt" at the corner of Bismark and Abbott.

When the shooting was over, Bradshaw and his friend got up none the worse for the affair.

Figuring he was on good terms with the majority of citizens in this community, Bradshaw was puzzled as to the origin of the shots.

Not so police, who traced the bullets to the home of Donald Marshall, Rt. 1, Box 37, Colma. Donald's father, admitted his son had fired the shots, police said.

The boy was only target practicing, shooting into the hills. He did not know Bradshaw and the friend were in the path of his bullets, police asserted.

## Parents, Children Asked To Curb False Alarms

With Halloween coming up soon, several lads and lassies in Daly City have been getting in practice by turning in false fire alarms.

This may be amusing to the children, but it can prove to be costly, and perhaps a matter of life and death to all residents of the community. J. E. Kennedy, fire chief, warned today.

Full cooperation is requested of parents and children to curb this series of false alarms, which over the past few months have amounted to 25 per cent of all the calls.

"Not only is this costing you and the city money, but in case of a real fire at the time we're out on a false alarm, it may cost a person his property and very life," Kennedy observed.

## Number Papers, Fees, In County Recorder Office Down Over Last Year

Papers covering everything from marriage to death, 4,961 of them, were handled by the county recorder's office, Redwood City, during September.

The papers brought in fees of \$12,226, a drop of \$959 over the same period last year. The number of papers for September, 1948, was also correspondingly higher, 5,240.

Wedding bells weren't quite as popular last month as a year ago. There were 122 marriage licenses issued in the county, as compared with 151 for September, 1948.

## Run Away Truck Damages Home

A run away pick up truck smashed into the front of the Fred Covello home, 50 Los Olivos avenue, at 11:30 a. m. Tuesday, police reported today.

The report indicates that damage to both the home and truck was minor.

Owner of the truck is Wesley Hanks, 4128 Geary, San Francisco. He told officers that he'd parked the vehicle on Los Banos opposite the Covello home. It was facing east when it backed into the home.

## SSF Boy Injured In Auto-Scooter Bike Collision

Colliding with an automobile Tuesday on his scooter bike, Joseph E. DeYoung, 16, 39 Greenwood drive, South San Francisco, suffered minor injuries.

The youth sustained a cut right leg. However, when police offered to take him to the hospital he refused medical treatment, the police reported.

According to officers, the accident occurred at the intersection of Mission and Market at 11:30 a. m. when Edward Papazone, 41, 644 Parkway, South San Francisco, was going north on Mission.

Papazone told police that the scooter hit the car on the right side. DeYoung admitted his brakes hadn't worked, and he had collided with Papazone's vehicle as the latter turned off of Mission onto Market.

Neither the car nor the scooter were badly damaged, police reports indicated.

## No. 26 Bus Line Fate In Doubt As Supervisors Meet

Whether or not the No. 26 Broadmoor bus line will run after October 13 is still in question today.

However, indications are that some compromise may be reached so as not to completely cut off residents of the area from bus service.

The San Francisco Board of Supervisors meets Monday, October 10, to approve or disapprove the Public Utilities Commission's plan to cut off No. 26 service to Broadmoor.

"We are certain some compromise will be reached so as the Broadmoor residents will continue to be served by bus lines," an official close to the Board of Supervisors said.

He did not indicate what "this compromise" would be. The official also noted that no action was taken at the last public hearing on the matter, September 29.

The Public Utilities Committee of the Board met today, October 20, to consider the recommendation they would make to the Supervisors Monday. This meeting was held too late in the day to be reported in the "Record."

If some action is not taken by the Board by October 13, the No. 26 bus line will be abandoned. Should the line be abandoned, 1,040 families in Broadmoor Village would be without transportation.

## OLPH Carnival Promises Food For Hungry Men

Man's appetite will be far from overlooked in the "Circus Carnival" slated for October 21 to 23 at Our Lady of Perpetual Help school.

Knowing that no circus would be complete without popcorn and peanuts, Mrs. A. Heyden has taken charge of the concession and will see that everyone has his fill.

Hot dogs too are a must at a circus. The refreshment booth will be open throughout the carnival serving these and sandwiches, cake, coffee, beer, and soft drinks. Mrs. H. Rode is chairlady and will be helped by other members of the Catholic Daughters.

As a fitting climax, there will be a turkey dinner with all the trimmings on the last night of the carnival. This dinner will be prepared and served by Mesdames Steele, Michelson, Weckerle, Kohmann, and others.

A final meeting to lay plans for the "Circus Carnival" will be held Tuesday evening at 8:30 o'clock.

## Shaw, Benassini, Herscovitz Retire From Daly City Fire Department After 95 Years Of Combined Blaze Busting

**SHAW RETIRES** — Completing 36 years of active service with the Daly City Fire Department, Larry Shaw, 69, 9 Shakespeare street, retired this week. The veteran blaze buster has put in more years of service with the department than any other living fireman.

Mr. Daly City Fire Department, better known as Larry Shaw, 69, 9 Shakespeare street, retired this week after 36 years of continuous service with the fire department.

Also retiring were: Morris Herscovitz, 109 Parkview, who has put in 30 years with Company No. 6; Peter Benassini, 127 Werner avenue, who has served 29 years with Company No. 2.

All of these men deserve to be honored and thanked for their countless years of untiring service. However, it is to Shaw, who claims he's been putting out fires in this area longer than any other living member of the department, that we must lift our hats the highest.

Joining Company No. 1 in February, 1913, Shaw has served in every position from hoseman, to captain, to his recent post as fire commissioner.

"I joined to help the citizens of this community. This has been my one purpose all these years," Shaw commented.

This has not always been easy, especially in the early days. When Shaw entered the department there were five volunteer companies, equipped with little more than courage, hose, buckets and a two-wheeled wagon.

A central alarm sounded from Hillcrest every time smoke was spotted. When the bell tolled, the fire chasers ran for their wagon and buckets.

Pulling the two wheeled wagon down an unpaved street, the blaze busters were lucky if they arrived in time to see any more than the dying embers.

Even if they did make the fire, it often proved fruitless, as the principal way of fighting a fire

was by passing buckets full of water from man to man and on to the blaze.

If the fire proved to be more than just a smoking stove or grass fire, the bucket brigade often proved useless.

However, by 1913 things began to improve. A new water system was installed, and hoses now had pressure instead of a trickle.

Also just two years before Shaw was appointed captain of Company No. 1, in 1918, Daly City saw fit to pave some of the main streets. This, coupled with the new water pressure, cut the number and loss from fires considerably, Shaw recalls.

This also cut down many self-set fires. In the early days it wasn't uncommon for a man to burn his own business building. He did it then for the same reason he does today, to collect insurance.

By the number of amateur arson as a hobby received a seeped quite profitable. But with the advent of a fire department that could actually put out a fire, arson as a hobby received a severe jolt. In fact it almost disappeared in this community.

One year after he'd been appointed to Captain, Shaw moved up into the position of Fire Commissioner. He held this position until 1922, when business forced him to give up the job.

It wasn't until 10 years later that he again donned the fire commissioner's uniform. That was in 1932, and he has served in that position until his retirement this week.

During all his years of service, Shaw has only missed two of the commission's regular monthly meetings. Once he was out of town, and the other time he was busy at a jail trying to bail out a friend.

In appreciation for what Shaw, Herscovitz and Benassini have done, the city council Monday night passed three separate resolutions thanking them for their work.

Yesterday, October 5, the gentlemen of Company No. 1 gave a stag party for Shaw. It is reported the veteran blaze buster survived.

This Saturday, October 8, Shaw will again be honored by his brother fire commissioners. They will give him a dinner party at the Club Casino beginning at 8 o'clock.

Not only Shaw is being honored however, as all three retiring firemen were given a corned beef and cabbage dinner by city officials September 30. The men were presented fire department belt buckles, suitably inscribed by the chiefs of the department, for their faithful service over the past years.

In addition, the companies to which Benassini and Herscovitz belong, two and six respectively, have given or will give the men parties.

## Murray Draper Appointed Judge Of Third S.M. Court

New third San Mateo county superior court judge today is Murray Draper, 42, San Mateo attorney and Republican leader.

He was appointed to the position Monday by Governor Earl Warren. Date for induction of the San Mateo man has not been set. However, he will be sworn in within the next 30 days.

The appointive term will expire January, 1951. After that Draper will have to stand election.

Judge John J. Fahey, Daly City, was the unsuccessful candidate of the San Mateo County Democratic Central Committee for the position.

A navy veteran, Draper has been practicing law in San Mateo since 1945. Previous to that he practiced in San Francisco from 1930 to 1942.

Last year in Philadelphia Draper was a delegate to the Republican national convention.

There is still some question as to where the new judgeship, created by the last legislature, will be located. The supervisors are now considering the office location. One possibility is the quarters now occupied by Justice of the Peace Edward I. McAuliffe in the Redwood City courthouse.

## Fire Prevention Week Events Here October 9 to 15

Fire prevention week begins October 9 and will continue through until October 15, Fire Chief J. E. Kennedy reminded Daly City residents today.

In observance of the week, Chief Kennedy has planned several events to bring fire prevention to the attention of citizens.

Chief among these events will be the stationing of four fire engines on Mission street, just above San Jose, Saturday, October 8, from noon until 2 o'clock. During that time the engines will be on public display, and various types of literature on fire prevention will be passed out.

At 2 o'clock the engines will move down to Colma near Market street on Mission. They will be there until 4 o'clock.

Theater-goers also will be conscious of the week, as a one-minute fire prevention film will be shown in all Daly City theaters during the week.

It is also hoped that older students from the schools will be able to visit the fire houses during the week, Chief Kennedy said.

Inspections of buildings and homes to determine whether they are potential fire menaces will also be intensified next week.

Chairman for the program will be Assistant Fire Chief A. J. Bodien.

## Gen. Pershing PTA To Hold Cake Sale Saturday

Holding a cake sale this Saturday, October 8, will be members of the General Pershing PTA.

The sale will begin at 10 a.m. in front of the Sproule-Reitz store, 6400 Mission. However, not only cakes will be up on the block, also to be sold are pies, doughnuts, cookies and other forms of desserts.

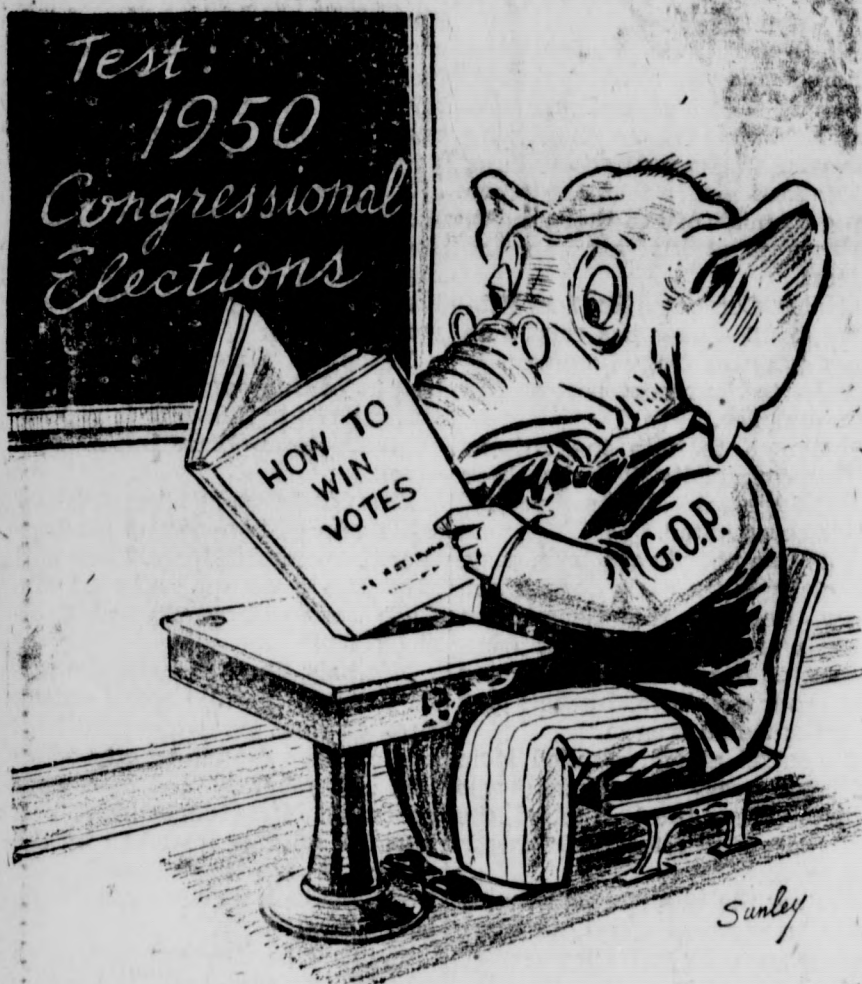

All members of the PTA who wish to help in the sale, are asked to bring their favorite dessert to the store between 10 and 11 a.m. Saturday.

The cake sale was discussed at the GPPTA executive board meeting held September 29 at the home of Mrs. A. S. White, 964 Brunswick street.

Next business of the meeting was the "Nosebag Lunch." This will probably be held the first part of November. A definite date has not yet been set. Mrs. A. W. Lauffenburger is chairman of this committee and Mrs. Lyle Ingersoll, Mrs. E. K. Whinnen, and Mrs. D. C. Genzel are the other members. After making arrangements with Miss Winifred McGrath, principal, and setting a date, the committee will meet and decide what to put in the "bags" and how many to make.

The membership drive, chairmaned by Mrs. Arthur Benofsky, came in for its share of discussion.

## NEWS FROM THE SCHOOLS

### CROCKER

The inaugural assembly of the Crocker student body took place on Friday with special guests Superintendent Snell and General Supervisor Falconer present.

After the school constitution was turned over to the newly-elected president, Virginia Chan, the student body gave the pledge to the flag, led by Superintendent Snell. This was followed by the singing of "The Star-Spangled Banner," played by the student school pianist, Heather Bridges, and led by Carol Bate.

President Chan then introduced the newly elected school officers as follows: vice-president, Ellis Pizzi; secretary, Elaine Martinez; treasurer, Alfred Perry; school representatives, Patsy Coffee and Bruce Selmi; sergeants-at-arms, Lois Rasmussen and Martin Verce; school pianist, Carol Bate and Heather Bridges.

The student council, composed of representatives from every room in the school, were then charged with their duty of informing the class concerning the contents of the constitution and given a copy of it. The student council representatives are: Room 1 — Jerry Gioni and Neil Lundy; Room 2 — Sandra Sapetianich and George Spoulos; Room 3 — Lois Sims and Johnny MacNichols; Room 4 — Patsy Phillips and Frank Neuman; Room 5 — Patty Long and Robert Dickson; Room 6 — Doris Meyers and Angelo Casserio.

Following the presentation of the student council the newly-adopted amendment to the constitution was read to the student body, and Lois Rasmussen and Martin Verce then spoke of bus regulations and rules.

President Chan then asked Superintendent Snell to say a few words. The superintendent impressed upon the student body the responsibility it held in governing the school by student officers. Mr. Falconer then addressed the assembly. President Chan closed the assembly by the singing of "America," played by Carol Bate and led by Heather Bridges.

The pupils of Room 6 will be studying latitude and longitude this week. They will also learn the reason for having time belts. They will find out why the International Date Line does not follow the 180th meridian exactly and appears as a crooked line on the map, dodging all land areas.

The Low 7 of Room 5 have learned the various zones of the world. They not only have made maps, but they realize the reasons for zoning this large globe of ours and have learned common geographical terms for natural phenomena.

In line with their present unit of safety and as enjoyable extra-curricular activity, some of the children went for a swim at Jefferson Union High School. The students participating in this activity were as follows: Patsy Seymour, Don Williams, Billy Willers, Michael Sibitz, Sherwood Rupp, Doris O'Neill, Donna Odell, Johnny MacNichols, Louie Cooper, Beverly De-Nike, Ross Benavides, James Courts, Lois Sims, Gary Gali.

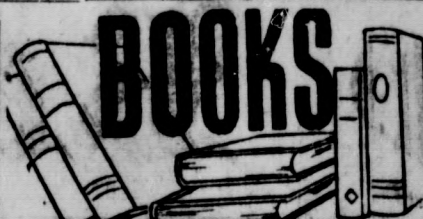

The students of Room 3 also went swimming at Jefferson High School. They had a fine time. Saturday morning they meet at Marchbanks Park for a playday and weiner roast. Some of the boys and girls went on to the Stanford game with Michigan at Palo Alto.

**Origin of Domestic Cattle**  
Domestic cattle are descended from wild cattle of the genus "Bos." Five groups are generally included in this genus. It has been estimated that cattle have been domesticated since 4,000 to 5,000 B. C. Cattle of Zebu or Indian origin have increased with astounding rapidity on the ranches of the United States.

**Coffee, Haitian Mainstay**  
Since the founding of the Haitian republic 145 years ago, coffee has been the mainstay of its economy. In recent years such products as sugar, sisal and bananas have been developed largely by foreign capital and under foreign control, but the great crop upon which more than any other, Haiti's many peasants depend for the little money they must have for their purchased necessities is coffee.

sent her work, plans and pictures and ask the opinion of the members about pictures the studio would like to take.

A motion was made and carried to have the programs for the year printed.

Time was when a man picked up a book to read about something or someone created by the author.

Things have changed. Now there appears to be more interest about the author than his works. This reader desire to probe the vacuous sources of creation is unexplainable, but most lucrative.

Unfortunately, the majority of writers' lives are both dull and unromantic. They have nothing to say about themselves, or at least nothing that would sell.

Meeting this problem with ingenuity and bravo, our writers this week have made up not one, but three Mesdames of the written word. This should prove more than enough for the curious reader.

Mix a little of Lucretia Borgia's nasty habits, Virginia Woolf's talents, and Mrs. Roosevelt's social and political graces and behold the reader has Mrs. Leslie Porter. Mrs. Porter is a distinguished novelist, and heroine of Hamilton Basso's new book, "The Greenroom."

This is not to degrade Mrs. Porter, or the author, as Basso has done a fine job of portraying a woman no man would marry, and every woman will secretly admire. A conclusion like this can be reached simply because the grande dame is: distinguished, formidable, a perfectionist, rich, false, triumphant, and in mind ugly and cruel.

Despite these soap-box attributes, Mrs. Porter is a credible and life-like character. "The Greenroom" is a love story which finds success through the gradual disintegration of the author's heroine. The plot concerns Mrs. Porter, who is living on the Riviera, and an editor, Rufus Jackson, who comes to see the writer and falls in love with Nora Marsh. All fine, except Nora is married to Mrs. Porter's spoiled, rich, alcoholic (and need we say) unhappy nephew.

Well, Mrs. Porter breaks up the affair, and also strips herself of any pretenses to be a lady. She triumphs, and the book ends... but read it yourself. It's a good romance, one of the best in many a day. ("The Greenroom," by Hamilton)

In our other book, "Rest and Be Thankful," by Helen MacInnes, there are two authors. But Mrs. Porter wouldn't have these female writers anywhere near her villa. One of the girls writes a series of cook books and the other just loves to see her name at the top of the best seller lists.

"Rest and Be Thankful" is a welcome relief from Mrs. Porter, in that the author has given the reader a first-class comedy. With her deft pen Helen MacInnes has set down a group of New York intellectuals, all with a hand in literary criticism, on a cattle ranch in Wyoming.

Repercussions from this act are highly entertaining, especially as the ranch is run by the two women authors. They open their ranch to what might be called potential Mr. and Mrs. Porters. The contrast between these two adventurous female writers and the highbrow critics is enough for many a joke, and hours of scintillating reading ("Rest and Be Thankful," by Helen MacInnes)

Both of the aforesaid novels may be had at the Daly City library. Come in and try one of them. It's a nice way to spend a Saturday evening.

### If Birds Quit Laying

Although a positive diagnosis of Newcastle disease can be made only by laboratory tests, there is plenty of reason to suspect this malady if egg production in a flock dips sharply—nearly to zero. A veterinary bulletin points out that a drastic drop in egg production, whether due to Newcastle disease or some other type of trouble, should be a warning for poultrymen to get a prompt diagnosis and start corrective measures at once. If the trouble is actually Newcastle disease, respiratory and nervous symptoms usually will be evident.

**Commercial Sponges**  
Many species of sponges cannot be used commercially because of glasslike needles embedded in their tissues. The true commercial sponges, when alive, are of varied spongy colors from yellowish gray to coal black. Most of the work of detaching the dark, liverlike flesh from the valued skeletal network is done by giving it a few days to decompose on lonely island shores near the sponge-harvesting beds.

According to the shirt's creator, the colors of the dragon, front and back, will increase in brilliance with washing.

## Woodrow Wilson PTA Takes Part In Father's Night

A combined meeting of all local PTAs will be held Tuesday, October 18, to celebrate "Father's Night."

The joint meeting will be held at 8 p.m. at Jefferson High school auditorium.

Woodrow Wilson's contribution to the evening will be "The Rhythm Band," made up of primary school children. The band is under the direction of Mrs. Joe Daley.

Mrs. Henry Adams will represent Woodrow Wilson PTA as program chairman for the evening.

Other business of the Woodrow Wilson PTA last week included:

An executive board meeting Tuesday, which was held at 176 E. Vista Grande avenue. Hostess for the meeting was Mrs. Earl White, assisted by Mrs. Harold Riley.

Special guest at the executive board meeting was Mrs. G. J. Sirex, counselor from the 17th district CPPT for the WWPTA.

Miss June Gross, school nurse for the Jefferson school district, exchanged ideas with members for the coming school year health program.

Mrs. Emil Bertelli was appointed chairman of a cooked food sale to be held at Sprouse-Reitz store October 29.

Representing the WWPTA at a series of lectures being conducted by the Burlingame PTA will be Mrs. James Snell.

A ways and means committee meeting was held Monday at 443 Hillside boulevard. Mrs. Henry Adams was hostess. A discussion of the budget for the 1949-50 fiscal year was the principal piece of business. The budget will be presented at the next regular meeting of the WWPTA.

Members of the ways and means committee include Mesdames Ted Hopman, Harold Riley, Earl White, John Sorensen, W. M. Cheatham, Emil Bertelli and Henry Adams.

For the information of those new members of the WWPTA, the following is a roster of officers for that group: Mrs. W. M. Cheatham, president; Mrs. Henry Adams, vice-president and program chairman; Mrs. Earl White, recreation secretary; Mrs. Harold Riley, treasurer; Mrs. Emil Bertelli, finance secretary; J. A. Sorensen, historian.

Miss Elisabeth Kennedy is auditor and Miss June Gross is health officer.

Other officers include Mesdames: James Surber, membership; Sanford Larson, publicity; Charles Keith, room mother; Michael Seitz and C. A. Wilson, food sales; James Snell, parent education; Wakehouse and J. Ausano, hospitality; J. A. Sorensen, newsletter; L. B. Thomey, student aid; Robert Duffy, Founders' Day; E. Hanley, character education; A. E.

erecting an elevated stage for the orchestra and also is installing 10 loud speakers throughout the hall. This will insure that everyone can at least hear the band.

There will be unlimited lighting both inside and outside the building. Inside it will be of varied color schemes and forms to fit the mood of the dancers, and in the center of the hall there will be a large revolving chandelier.

The San Mateo County Board of Supervisors have installed a composition floor for this event. The floor should prove satisfactory for dancing as it will be treated to insure the best results.

Leading the grand march opening will be 10 members from the 4088 color guard.

Arrangements have been completed with the management of the Fiesta for all concessions to be open that evening, serving food and all manner of "refreshments."

Expecting quite a turnout, the Association makes the following guarantee: "The hall has a sprinkling system installed in case of fire. There will be numerous uniformed firemen and police officers on hand to assist anyone requiring aid. An ambulance also has been arranged for to stand by."

"Nuff said."

## City Officials Study

treatment plant.

This plan, if San Francisco offered a cheap enough rate, would be by the most economical method of disposal, Klassen asserted.

Principal question to be answered during the next few weeks, is whether or not the San Francisco rates, and other conditions, will warrant laying the two-mile \$250,000 pipe line to the bay city plant.

Should the pipe line prove unfeasible it probably will be necessary to build a separate sewage disposal unit in Daly City, officials believe. Cost of such construction might well be over the one million dollar mark.

### Potato Goes to Britain

Regarding the introduction of the potato into Great Britain, the two legends more generally believed are those surrounding Raleigh and Drake. According to the first: Solanum tuberosum, the common potato of our fields and gardens, was first introduced by Sir Walter Raleigh who brought the roots from Quito and caused them to be planted in his own garden at Youghal, Ireland.

## Members Girl Scout Troop No. 4 Plan Fall Activities

Back from summer vacations this week are all the young ladies of the Daly City Senior Scout Troop No. 4.

Wasting no time, tentative plans were being made this week for a pot-luck dinner with the scouts of Sharp Park October 25.

Another early project is to clean up the scout house both inside and outside. When this has been completed a party to initiate a group of Sea Scouts will be held.

## Mothers Club Of Bethel No. 26 IOJD To Hold Whist Game October 12

Holding a whist party and luncheon October 12 will be the Mothers Club of Bethel No. 26, I.O.J.D.

The whist game will be held in Masonic Temple, 17 Hillcrest drive, at 12:30 p.m.

Everyone is invited to come. Money from the affair will be used by the Mothers Club to carry on their work in this community.

## Crocker PTA Meets Tuesday, Oct. 11

The regular meeting of the Crocker PTA will be held Tuesday, October 11, at the General Pershing school, 631 Hanover street.

Getting underway at 1:30 p.m., the meeting will hear several speakers. The three principal speakers will be Mrs. Radence O'Bryant, "The Home"; James O'Snell, "The School"; The Rev. William Harbert, "The Church."

Mrs. George Freeland will present several songs to those present. The very efficient Mrs. Lyle Ingersoll will be the hostess of the day.

Everyone is invited to attend. Mrs. Erwin Schmidt, president, said she hopes for a record attendance at the Tuesday meeting.

## Letter To The Editor

Dear Sir:  
There was an article in last week's issue of the Record relative to the schools for which this city received bonds for the building of same.

We are still in a predicament as far as the schooling of our children's concerned and what is holding up the building of a decent full day's education for our children? It's a waste of time, intelligence and money to be building parks all around the town.

If our schools were equipped with large decent playgrounds instead of so many parks with "Keep Off the Grass" signs, etc., the committee for this project would be using their heads instead of the people's money at this very bad time when so many people are out of work and having hard going.

This time is definitely no good to make extra expense and unnecessary expense. My advice to the committee handling this is to "Wait Till the Sun Shines Maggie"—until times are better and first and foremost build the necessary schools equipped with the necessary playgrounds, as originally voted for.

We are all getting tired of these new projects and wonder who the people actually are, voting for them as mostly everybody one talks to is definitely not in agreement with this new idea.

When it comes down to rock-bottom, we want schools and playgrounds instead of parks. Think it over, you readers, and do something about it.

## ABOUT TOWN

### News Of Your Neighbors

Fred Waterman, son of Mr. and Mrs. Lucy Waterman, 182 Acton street, recently received a scholarship from California Polytechnic College of San Luis Obispo for being the outstanding student of the year. Fred was raised in Daly City and attended General Pershing school and graduated from Jefferson high school in 1942. The scholarship was awarded on the basis of an average grade of 2 or better in his studies and activity in student government and affairs. Fred is taking a post-graduate course, having received his degree in aeronautical engineering in June, 1949.

Sgt. William Bolger, backbone of the Daly City police department, passed once again this week that a man is never too young or old to learn a few new tricks. This time the "crusty" sergeant is exploring the keys of a teletype machine. As desk man for the day side he will have a good part of the work on the new bit of machinery in the police department. Sgt. Bolger confidently expects to be able to operate the teletype with the same precision and grace as he now pounds a typewriter. In fact, he asserts, in a few weeks he will be able to change the complex paper roll with his eyes closed.

Mrs. Jack Holt, 114 Maiden lane, Garden Village, had a birthday October 5. Marking the occasion with a party were members of her immediate family and friends. Those who blew out an undisclosed number of candles on a cake were Mr. and Mrs. Raymond Cooper, Mr. and Mrs. Harry O'Strander and Mr. and Mrs. Jeffries.

Robert Long, 327 Wellington, is home from the hospital today recovering from a recent minor operation. The United Air Lines employee was at Mary's Help hospital for nearly a week. After a few days around the house, Long plans to return to work.

Lt. (jg) Ernest W. Daniels, USN, 162 Winchester street, is now serving aboard a submarine, the navy announced today. The sub is the USS Barbero. It is stationed with the Pacific fleet.

John Keohane, head clerk at the Daly City post office, was back at work today after a two-week vacation. Keohane spent his two weeks of leisure in the bay area, enjoying the comfort of waking up on Monday morning in his own bed, and being able to turn over again and sleep until noon. During the two weeks Keohane also managed to visit friends and relatives throughout the bay region.

Neighbors via letters for the past 28 years, Mrs. Clara Michelsen, 448 Willis, and Mrs. Marie Yarnish, Cleveland, Ohio, recently had a nice, long visit. Mrs. Yarnish came to Daly City to visit Mrs. Michelsen, and was here for little more than a week, leaving October 4. The two ladies had been neighbors in Cleveland before Mrs. Michelsen came to Daly City, and they have kept up their friendship all these years through letters.

Mr. and Mrs. Anthony Cerko, 368 Citrus, are the proud parents today of a baby daughter. The new daughter, Diana Katherine, was born at St. Mary's Help Hospital October 3. She came into the world weighing 7 pounds.

Visiting with Mrs. Tage Jorgensen, 458 Miriam, this week is a niece from Portland, Oregon. The niece is Mrs. Donald Johnson of 19th and Burnside, Portland. She arrived here September 30 and will spend several days with the Jorgensen family.

L. R. Toms, Daly City post office superintendent, returned from almost a month's leave of absence last Saturday. Having toured a good part of this country and a section of eastern Canada, Toms and his wife returned with more than memories. Seems he also found time to stop off in Lansing and pick up a new car. Principal purpose of the trip which took Toms to Quebec, New York, Washington, D. C., Niagara Falls, was to visit his 98-year-old grandmother in Honesdale, Pennsylvania. During his journey, Toms traveled some 6,095 miles by automobile. For those motorists planning a trip east, Toms says the roads are in very fine condition.

# SOCIETY

## Col. Lowe, Wife, Family, Visit Mr. & Mrs. Shaw

Visiting his in-laws, Mr. and Mrs. Larry Shaw, 9 Shakespeare street, last week end was Lt. Col. Thomas J. Lowe.

Col. Lowe was passing through Daly City from Fort Riley, Kansas, where he has been stationed for the past four years. His wife, the former Marie Shaw, has been visiting her parents for a month, and plans to leave to join her husband either late this week or early next week.

The colonel has been assigned to head artillery instruction for the Oregon National Guard. He will be stationed at the Portland Air Base as senior artillery instructor.

Also in Daly City with their parents were the four Lowe children, Thomacine, 18, Vicki, 3, Gary, 2, and seven-week-old Deborah. They will leave with their mother to join their father. The eldest daughter, Thomacine, plans to enter Reed college to begin a pre-medical course.

## Bridal Shower For Harriet Voelker

Mrs. George Roumbanis, the former Harriet Voelker, was honored with a bridal shower September 23, at the home of Mrs. Clara Michelsen, 448 Willis.

The table and rooms in which the shower was given were all decorated in white. The bride received many beautiful and useful gifts from her friends.

Present at the shower were Mesdames Nora Cereghine, Bernice McNeerney, Ruth North, Ruby Smith, Mildred Seiler, Lanette Edmonds, Thea Buckenmeyer, Oma Voelker, Mary Edmonds, Ann Sanbrailo, Muriel Glasser, Vera Roumbanis and Katy Voelker. Two ladies identified as Day and Martha were also present.

A reception was held for Mrs. Roumbanis at the home of her aunt, Mrs. William Voelker of San Francisco.

Those present at the reception included the following Daly City people: Mr. and Mrs. Joe Friesen, Mr. and Mrs. Bernhart Voelker, Mrs. Thea Buckenmeyer, Mr. and Mrs. Henry Seiler, Mrs. Oma Voelker, Mrs. Marie Yarnish from Cleveland, Ohio, and Mrs. Clara Michelsen.

## "Moral Training Of Children" PTA Broadcast Topic

"Moral Training of Children" is the topic of next Tuesday's broadcast in the current PTA series titled The Inquiring Parent.

These transcriptions, sponsored by 17th District, California Congress of Parents and Teachers (CCPT), are presented on KSMO, 1550 kc, every Tuesday at 11:15.

Prepared by Dr. Luther Woodward of the National Committee for Mental Hygiene, the discussions are designed to provide parents with solutions to the perplexing problems of parenthood.

Married in a quiet ceremony at Reno October 1 were Carol Stevenson of Daly City and Thomas C. Lisle of San Francisco.

Mrs. Lisle is the daughter of Mr. and Mrs. Henry McGee, 498 Westlake. She has been a resident of Daly City for the past three years, coming here with her parents from Utah.

The groom is a San Francisco automobile dealer and a native of that city.

The couple will make their home at 3717 Army street, San Francisco.

## Rally Day Sunday At Grace Church Of The Nazarene

Rally Day will be celebrated at the Grace Church of the Nazarene on Sunday, October 11, with a special program to be given during the Sunday school hour.

The program, which will begin at 9:45 a.m., will consist of a story-graph, "Daniel in the Lion's Den," by Mrs. Nicholson; a choral reading by the juniors; a story, "Don't Be a Monkey," by Leo Colar; a sermonette entitled "Here's Your Number," by Reverend Nicholson, and several songs and special music have been arranged for the occasion. Parents are especially invited to attend and enjoy the program with their children.

At the 11 a.m. worship service on Sunday a solo will be sung by Miss Eleanor Miller. The subject of the morning message will be "The Meaning of Holiness." During the 7 p.m. Young People's meeting, Mrs. Nicholson, wife of the pastor, will relate her experiences as a missionary in Old Mexico.

Friday, October 7, the Intermediates will hold a party in the Nazarene recreation hall. Any boy or girl between the ages of twelve and fourteen is welcome to attend, the only requirement is to bring a pair of skates and a few sandwiches. The party will begin at 7 p.m.

Saturday evening, October 8, the Young People's group will hold a "Pie Party" in the recreation hall. Refreshments and fun will be had by this group. Any young person desiring to attend will find a ready welcome.

## Navy Auxiliary To Hold Bazaar Friday, October 7

With a definite salty tang, the Ladies Auxiliary Unit No. 48, Fleet Reserve Association, will sponsor a bazaar Friday, October 7.

The bazaar will be held in the War Memorial building, San Francisco Civic Center, from 8 p.m. until 11:30 p.m. In addition to the regular booths there will be a fortune teller, known from port to port as the best in the profession. She's a local resident, Mrs. Catherine O'Strander by name.

Booths will feature useful household items from towels to cakes.

The public is invited to attend. All money from the affair will be used to further the work of the auxiliary.

Chairman for the evening will be a Garden Village resident, Mrs. Jack Holt. She will be assisted by Mrs. Virginia Bell and Mrs. Catherine Jeffries, vice-president and president, respectively.

## Edgewood Terrace Garden Club Meets Thursday, Oct. 13

Director of District No. 4 of the California Garden Clubs will address the Garden Committee of the Edgewood Terrace Civic Association October 13.

Speaker will be Mrs. Harold Gordon Henningsen, director of the district which consists of six bay counties. The meeting will be held at 8 p.m. in the home of Mr. and Mrs. Harley B. Hooker, 26 Muirwood drive.

Mrs. Henningsen will speak of the advantages of garden clubs affiliating with the California Garden Clubs Inc.

Present committee members include Mesdames: D. M. Bunkley, chairman; H. S. Garrison, Joseph Long, G. Reginelli, J. Walker. Also members are Mr. and Mrs. D. R. Hiett, Mr. and Mrs. George Iverson and Harley B. Hooker.

The temperature of the human body was formerly used as the base point for thermometers.

## FOE Auxiliary Waxing Floors For Barn Dance

Ringed to the calls and music of the barn dance October 29, the Eagles Hall, 3346 San Jose avenue, will be the center of the Ladies Auxiliary No. 1848 FOE annual barn dance.

Further information on the affair is not yet available. However, those in the know promise that "Elsie" will be the evening's honored guest.

Plans for the barn dance were discussed this week after a special meeting was held September 24 to honor club Secretary Francis Nonstiel. The meeting marked the end of two years of service by Mrs. Nonstiel to the auxiliary.

A beautiful corsage was presented to her, in addition to a lovely rhinestone necklace and earring set. There was a special cake with two candles for her two years of service. Tables were decorated with dahlias.

Another note of thanks was extended this week by the auxiliary to Jack Allain and Joe and Vic Lewkowicz, the clowns who advertised the auxiliary's bazaar. The lads walked around town attracting attention to themselves and the event.

Next meeting of the organization will be October 11, Eagles Hall, at 8 o'clock. This will be a special meeting to celebrate the first birthday of the group's adopted baby, Katherine Brush.

There will be no officers' meeting October 18, as that is Bay Area night.

## Jeff High "Guff"

By Bettie Duffy

With the opening of the new school year at Jeff, a committee of four was chosen in order to select new colors for the school band.

Blue and gold got the votes by Mr. Remi Sanders, member of the board of trustees; Mr. Hannah, superintendent; Mr. Stevens, band instructor, and Miss Jones, clothing teacher. This year the band consists of 24 members under the guidance of King Stevens.

Stepping out in front of the band in gold costume will be Jeanie London, Lorraine Remmer, Bea Casasas, Doris Roth, the school's majorettes, and Bettie Duffy, drum major.

Bowling as a G.P.A.L. sport is being discussed by members, although competition will be needed if the plan is to succeed. To add increasing interest to this sport in Daly City, a bowling alley may soon be constructed on the corner of School street and Werner avenue.

The Senior class this year is very large, with 165 members. Thirty-one will graduate in February and 134 in June. In the Junior class there are 215, while in the Sophomore class there are 237. The Freshman class is the largest with 252 high and low freshmen. This number of students brings Jefferson's enrollment to a total of 873 students.

## HEARING TESTS

October 4 and 5, during the gym periods, the students were given hearing tests. The purpose of these tests was to see if there was any deficiency in hearing.

## X-RAYS

Monday and Tuesday chest X-rays were taken by the San Mateo Tuberculosis and Health Association. The X-rays, which were taken in all gym periods, are a free check on tuberculosis.

## RALLY

After our peppy rally last Friday in assembly hall, school spirit was lifted 100 per cent. This was proven by the big crowd that turned out to support our team at the football game in Mountain View.

## CALENDAR OF EVENTS:

October 13: basketball — Palo Alto at Jefferson.  
October 13: Frosh-Soph football — Lincoln here.  
October 14: varsity football — Lincoln there.

Total U.S. casualties in the Spanish-American War were 500 killed in battle and 2,000 dead of disease.

## Troop No. 16 Elects Officers

Intermediate Troop No. 16 has new officers today, following an election September 28.

The election was held at the regular meeting of the group.

New president is Janet Crimle. Other officers include: Arlene Trapp, vice-president; Peggy Sorenson, secretary; Carol McNeerney, scribe; Carol Garibaldi, treasurer; Darlene Cecchi, monitor.

After the election Mrs. Marie Miller gave membership cards to the girls.

## El Carmelo Parlor No. 181 To Hold Whist Game October 19

The El Carmelo Parlor No. 181, NDGW, will hold a whist game October 19.

The game will be held in Masonic Hall, 17 Hillcrest, and will start at 8 o'clock. There will be a nominal admission fee.

In addition to the whist there will also be a contest in which turkey will be awarded to the winner.

Everyone is invited to attend the Wednesday evening, October 19, activity.

## CARD OF THANKS

We wish to take this public means of expressing our sincerest thanks and appreciation for the numerous acts of kind and understanding sympathy extended us during the recent bereavement occasioned by the death of our beloved wife and mother. We especially wish to thank the Daly City Fire Department, Veteran Firemen and those who sent the many beautiful floral offerings.

Signed:

THEODORE J. WICKERSHAM

## I'm Serious!

Maybe you like smiling babies? Sorry to disappoint you, but I've got a lot on my mind.

There's something wrong in America... and I'm the chap who is getting hurt!

Our Constitution says that no one can be denied the right to worship God. I'm an American! According to the Constitution I have the right to learn about God, to hear the Bible Stories, to be taught the Christian Way of Life.

But here's the hitch. While the Government can't deny me the right to attend Church School and Church—MY PARENTS CAN. They can rob me of my most sacred right just by neglecting my spiritual needs.

Did you know that about half the children in America are growing up without religious training? And yet there's a church in every village!

Yes, I'm serious! Instead of talking about juvenile delinquency, we ought to do something about it. We ought to crowd our churches with children... and parents! And we ought to start Sunday!

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) Which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

SSF '49er Week,  
October 10 to 15,  
Events Planned

Complete program for the South San Francisco '49er week was announced recently by the week's sponsors, the Businessmen's Association.

Getting underway Monday, October 10, the show will continue through Sunday, October 16. On Sunday a giant Columbus Day parade will climax the observance.

Although participation in the first event of the week, the talent show, will be limited to citizens of South San Francisco, everyone is invited to attend.

Here is the complete schedule:  
**Monday:** Talent show under the direction of Buljan. Location to be announced.

**Tuesday:** Greased pole contest and Improvement club tug-of-war, to be held in Southwood area. Buri-Buri, Brentwood, Southwood and City Park department clubs asked to participate. All to be held on Linden avenue. Ted and Archie Fregosi are co-chairmen.

**Friday:** Finals of the Talent Show under the direction of Buljan.

**Saturday:** Sales events and awarding of prizes for best decorated windows, best dressed cowboys, cowgirls, best dressed children, and longest or most unique beard.

**Sunday:** Three and one-half hour long Columbus Day parade. Will run along Grand, Linden and Bayshore.

Almost all English sparrows in the U. S. are descended from eight pairs imported from England in 1850.

Welcome Home  
Party Friday For  
Mrs. Heagney

A welcome home party will be held in San Bruno Park at 11 a.m. Friday, October 7, for Mrs. Everett (Hilda) Heagney.

Mrs. Heagney, 117 Miriam street, arrived home Monday from the International Conference of Girl Scouts at Camp Edith Macy in New York. The San Mateo county Girl Scout leader won the honor to attend the conference on a competitive scholarship.

All Girl Scouts in the area are asked to be on hand at the park Friday, as Mrs. Heagney will tell of her many interesting adventures at the conference.

As one of the 11 American delegates to the conference, Mrs. Heagney had an opportunity to chat with scouts from every part of the world. During her stay at the camp she was living with a Lithuanian roommate.

Those attending the welcome home party are asked to bring their own lunch.

**OUT OF THIS WORLD**—The elaborately wired instrument is the radar antenna above the deck of the USS Norton Sound, and shooting skyward, leaving a trail of white vapor, is the Navy's aerobee sounding rocket used in the study of cosmic ray intensity. The rockets, fired at a point approximately 700 miles off the west coast of South America, attained an altitude of more than 65 miles above the ocean. Cosmic ray data is obtained from instruments in the nose of the rockets.

By observing the powerful cosmic ray particles and studying the changes they undergo in passing through the atmosphere, scientists hope to obtain a new and clearer understanding of nuclear forces. The energy of cosmic ray particles is millions of times greater than that which can be produced by nuclear fission.

## \$571,380 Building Permits Issued in D. C. Last Month

Building is booming in Daly City, at least according to the September amount of building permits, \$571,380, issued here last month.

During the month 78 permits were issued, as compared with 30 for the previous year at a total of \$188,950. A good part of the "building boom" is due to the Henry Doelger Westlake project. During September 44 permits, valued at \$414,463 were issued to Doelger.

Of permits issued, 61 were for new homes at \$479,735. This compares with 22 permits at \$172,500 for September, 1948. There were 12 alterations at \$6,245, as compared with six alterations at \$4,450 for last year. Five commercial buildings were started at a cost of \$85,400 as compared with two for September, 1948, at \$12,000.

Building permits issued over the past week include: A. Milang, 2115 Junipero Serra boulevard, \$9,000 for a one-story wood frame store; James E. Donahue, 6247 Mission, \$14,000 for a one-story concrete building; Henry Doelger, Westlake project, \$28,896 for two homes; State Building Co., 1053 Brunswick street, \$7,000 for one home; John Fern, 346 Irvington, \$7,000 for one home; A. Berwick & Son, 232 Los Banos, \$7,000 for one house.

Other permits went to: P. Martire & Son, 6235 Mission, \$7,000 for one house; R. E. Byard, 2295 Junipero Serra boulevard, \$700 to erect a temporary shed for lumber; D. C. Auto Wreckers, 7205 Mission, neon lighting, \$150.

#### Breakable Target

A paper target with a printed bull's-eye is the best known rifle target, but most people like to see something happen when they hit a target—have it move or break. Breakable targets can be readily made by sawing a piece of 2" x 2" lumber into 2-inch lengths.

#### Safety Rule for Swimming

A good safety rule is always to swim with a partner. Among the fast-moving, noisy mass of people at a large pool or beach, a lifeguard may not be able to hear a cry for help or to spot a sinking bather. A swimmer and his buddy can look out for each other in such cases.

#### Pastel Dresses

Pastel dresses can be worn with bright blue, beige, tan, gray, red, green, black, and white, usually with purple or navy blue shoes, and sometimes with brown.

## Jeff High Indians Scalp Mountain View, 7 to 0, In Practice Game - - - Play Menlo High School This Friday

By Milton Tromborg  
Opening the 1949 football season Friday night, September 30, the Jeff High Indians lifted the scalp of the Mountain View 11 by 7 to 0.

This was the first of two practice games the Indians will play before meeting Lincoln Friday, October 14, for the first game of the scheduled season.

The second and final practice game will be Friday, October 7, at 3 p.m. when the Indians tangle with Menlo High at Menlo.

In last Friday's gridiron clash, Jeff didn't score until the second quarter. Then, Don Lunghi, the pride of the Indians' backfield, ran over from the two-yard line. Ed Berrenes kicked the extra point and from there on in the game was in the bag for the Indians from Daly City.

Mt. View tried to score in the third quarter, when they marched all the way from their own ten yard line to the Jefferson ten yard line, but here fate fumbled them when a Mt. View player fumbled the ball on the ten, with Jefferson recovering the ball. The game was a defensive game for both teams.

Jefferson gained 270 yards by passing and running while Mt. View made 281. The Indians lost 45 yards on penalties and Mt. View five. Jefferson threw four passes and completed all four of them. Mt. View threw eight passes and completed six of them with two being intercepted by Jeff.

Don Lunghi played a very good game at left half and played most of the game. In the last quarter, Don got a cramp in his leg muscle and was taken out of the game.

Max Klien did a good job at right half and Bill Ritter also did a good job at full back. Vince Baggett, the quarterback for the Indians, showed good promise and really handled the ball well at all times.

The Jefferson line was poor on blocking and tackling, in which case the backfield had to do most of the tackling and blocking. Leroy Gonzales, Leo Lemon, Art Lauf-fenburger and Dick Green, held down the end positions and did a good job at it. Frank Druhan, John Sweet, and Richard Harrison played the tackle positions and really opened the holes for the backfield.

Jim Giannini and Jess Martinez held the forward wall at the guard positions. Leo Bricker, who had an arm injury in a practice game with Mission a few days before, played a good offensive game at the center slot.

The whole Jefferson team played well together and had the support of many of the students at the game.

## Capps Swims Gate In 25.37 Minutes

Swimming the Golden Gate Sunday in 25.37 minutes was "Bert" Capps, 132 Gonzales, San Francisco.

Although the former Daly City resident made the crossing in almost record time, it wasn't quite fast enough. He came in fourth in a field of some 20 contenders. First place went to Jimmy Lee who made the approximate three-quarters of a mile in 20.20 minutes.

Capps, as all the swimmers, was in the water for the South End Rowing Club. Lee broke a record for the club which has been on the books since 1911.

## Jeff High Indians

From Milton TROMBORG'S TEPEE

**FROSH-SOPH TIE BALBOA**  
The Jefferson Frosh-Soph, clad in new blue and gold uniforms, tied the Balboa Frosh, 7 to 7, in a practice game last Thursday, September 29. Both teams were about even, though Jefferson showed a lot more spirit in the game. Jefferson was hit by injuries early in the week, but the team as a whole looked good on both defense and offense.

Jeff made one touchdown while Balboa made two, in which one was called back when the runner ran out of bounds on the 10 yard line. Balboa made the longest runs, of 40, 55, and 40 yards. Jeff's longest run was a 16-yard end sweep. Jefferson gained 162 yards by passing in the air and running on the ground.

Balboa made 195 yards in the air and on the ground. Jefferson fumbled the ball three times and Balboa five times. Jefferson attempted 11 passes and completed 3, while Balboa attempted 10 and completed 3.

The outstanding player on the Jefferson Frosh on defense was line backer Tom Leach. Leach was in on almost all the tackles and really backed up the line. On offense the whole Jefferson team looked good except for a few weak spots. Jack Affain, a six-foot-four end, was always in the hair of the Balboa backfield while he was on offense and on defense.

Stanley Davis, a six-foot tackle, looked very good on defense and proved to be very helpful on the Frosh and will be for the varsity in a few years.

Don Espinoza, a left halfback, looked good but just could not get away to do any long running. Don took a punt on the 10 yard line and ran it back 24 yards for the longest Jefferson run. Don is small but very fast and will go places if he gets in the open.

At right half, Ray Tschergel looked good. He really hit the line hard at all times and helped run the ball in the backfield. Bryan McMahon played a good game as did Bob Holtzer. Norman Cady played a good game on defense and really shod promise as a football player.

Don Benando, Bob Davis, Harold Hazen, Ken Humes, Joe Lewkowicz, Gene Lorenzo, Bob Murchison, Dave Nathan, Dave Rivera, and Charles Tienken saw a lot of action and these boys really played good football. The Frosh-Soph really have a ball club this year, and, if the boys keep up the good work, they'll go places in the P.A.L. in '49! The Frosh-Soph will play Serra there on October 7.

## J. S. Merchants Vs. Tufo Sunday

Going into their second game in the Winter Double A League Sunday, the Junipero Serra Merchants will meet Tufo Jewelers. Game time is 2 p. m. at Marchbanks field. It is hoped by all the fans that they do better this Sunday, than the week before. In their first game of the series, the Merchants dropped a game to Gray's Tavern by 6 to 4.

This was the second straight loss for the team, but only the first in the Winter League.

Expressing confidence that "his boys" would win Sunday, backer Eddy White said the last two losses were due principally to shifting men around the field in various positions. He believes the men have found their right spots now, and will be able to play tops baseball.

Between February 29 and August 27, 1948, a Hydrographic Office "bottle paper" drifted 2425 miles in the South Pacific Ocean before being recovered.

## Club Correspondents Wanted To Write Society News

In an effort to better serve the clubs and other organizations in the BROADMOOR, COLMA, GARDEN VILLAGE areas, the "Record" wants to hire PAID correspondents. These news writers will be asked to turn in all current news about various clubs and other society activities in their respective areas. Persons interested in writing "society news" for these districts are asked to contact the "Daly City Record," 3317 San Jose avenue, Daly City, or to phone JUNiper 5-3215.

## Nordgren Sparks Army Track Team

Cpl. Leonard J. Nordgren, son of Mr. and Mrs. S. Nordgren, 155 Peoria street, recently sparked the 7th Infantry cross-county team to a one-sided victory.

The team, and the corporal, are all stationed in Camp Crawford on occupation duty in northern Japan.

One of the division's most dependable middle distance runners, Cpl. Nordgren was also on the "All-Division Team" that participated in the "All-Japan Track Meet" earlier this year.

Keeping pace with his progress on the field, he was recently appointed to the position of assistant message center chief.

After joining the army in 1947, and spending a brief period at Fort Ord, he was sent to Korea duty to his credit he moved with the 7th to Sapporo, Japan, where he is assigned to the 7th signal company.

## Colma Boys Club Wins One; Meets Vallero Sunday

Taking their first game of the new Seals Stadium League last Sunday, the Daly City Colma Boys Senior Club will meet the Vallero All Stars this Sunday.

Game time is 2:30 p. m. in the Seals Stadium. This will be the second of a 10 game series.

Last Sunday the Colma lads took the 12 Mile House AC by the close score of 7 to 0. Pitching for Colma was Ottenello who allowed six hits.

Don Mossi, pitching wonder of the Bakersfield Indians, will not be on the mound for his Colma team during the league season, Joseph Sarto, team backer, announced today. Mossi was ruled out of the league, as he is still under contract with Bakersfield.

This comes as a real blow to the Colma team, but it is far from fatal. During the summer Ottenello proved his real worth and he should be able to hold down the other teams during the season.

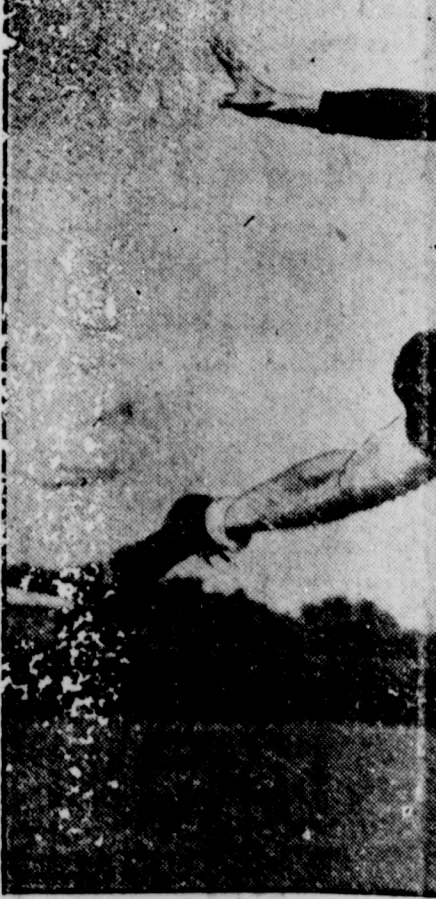

There are also eight other players on the Colma team who stand ready to assert they have the best bunch of ball players in the league. Time will tell, but it looks from here as if they aren't far wrong.

Take Woll, Silacci and Parodi, each of whom managed to reach first base twice during last Sunday's game. But more, each of the boys crossed the home plate once, with Woll coming in twice.

Here is the schedule of games for the Colma team during the Seals league. They will be played each Sunday at Seals Stadium. Time will be announced each week.

The opponents are, beginning with this Sunday: Vallero, A 11 Stars, Regal Pale, Aycoo Sports Shop, Jr. Seals, 12 Mile House, Vallero All Stars, Regal Pale, Aycoo Sports Shop and the Jr. Seals.

The first Pony Express rider from St. Joseph, Missouri, arrived in San Francisco April 14, 1860.

WORRYING THE OPPOSITION—Big Bob Campbell of Caldwell, N. J., a senior at Miami University, certainly looks like he can pull down forward passes and run them right into touchdown territory. That's the job the Miami Hurricanes expect him to do as well this fall as he has been doing on the practice field.

## Heavyweight Fight October 14 At Cow Palace

Ezzard Charles and challenger Pat Valentino were both in camp today training for the heavyweight championship battle at the Cow Palace October 14.

As an added attraction on the heavyweight card matchmaker Louie Thomas today announced signing heavyweights Grant Butcher of San Francisco and Billy Smith of Oakland for a 10-round card.

Charles continues to step up the pace of his workouts, doing today two bouncing rounds with Al Smith and two more with Floyd Gibson. Smith connected with some hard right hands (Valentino's weapon), but Charles had Gibson weaving briefly with left hooks, sharp.

Odds on the championship started at 3 to 1 on Charles, and even the fight goes ten rounds, but those were only feelers.

Joe Louis of the International Boxing Club arrives in San Francisco October 8, it is announced. The former world's champion will join the Charles camp, looking over the champ.

Promoter William P. Kyne announced that the fight will not be broadcast nor televised. However, radio rights are still in negotiation. No motion pictures, will be taken "under any circumstances," according to the promoters.

Charles is setting a new gym record for attendance at his workouts. The average turnout in three days has been 400, with interest growing. Week-end crowds should be "standing room only" in the National Hall arena.

## New Post Office Site, Or Building For Daly City

Daly City will soon have a new post office building or location, although it probably will continue to be operated by the San Francisco department, Mayor Green said today.

In a talk with W. H. Hudson, San Francisco postal inspector, Mayor Green learned that the survey of postal conditions in Daly City will be completed in 30 days.

After that period the San Francisco department will call for bids either on a new post office building or for a place with additional space.

The survey was recently instituted after it was found that present facilities were inadequate to handle the increasing volume of mail in this area.

Not until bids have been opened will it be decided whether or not to rent a larger building, or put up an entire new structure, Hudson said.

Mayor Green believes the San Francisco department will continue to operate the post office, despite agitation for a separate Daly City office.

"It probably will prove, after the survey has been completed, that San Francisco can run a post office here much more economically and efficiently than one of our own," Mayor Green asserted.

## Mustangs In Third Spot; Play Last Home Game Sunday

By Allen Pettigrew

Playing their last home game Sunday, the Daly City Mustangs will meet the Sacramento Hawks on Jefferson High field at 11 a. m.

After taking Woodland 12 to 6 last week, the Mustangs are in undisputed third place in the Western Football Association. Now that the mistakes have been removed from the 11's offensive and defensive game they have chalked up 5 wins and only one loss.

Although playing under lights for the first time in the history of their club, the Mustangs won a decisive victory over the Woodland Legion club last Sunday.

From the start the Mustang defense was perfect, holding Woodland to five first downs for the entire game. The secondary was constantly blocking the air game of the Woodland 11. Throughout the entire contest Woodland was able to penetrate Mustang territory but four times. Their lone score came in the second quarter when John Adele intercepted a pass and ran 25 yards for the score.

The Mustangs, led by the hard-running efforts of Roy Chambers, completed a 74-yard sustained drive when Ross drove from the 11 to the 1 foot line and Marlowe hit paydirt on a quarterback sneak. Try for point was low. Half time score tied up 6-6.

The second half showed a desperate Woodland team striving for victory, but the combined defensive efforts of the Mustangs refused to yield. Midway in the fourth quarter the Mustangs again began a downhill drive. Marlowe called for pitchouts, line bucks, end sweeps and passes. With Big Robby Dockery thumping the line the Mustangs were on the Woodland 15 with fourth and 6 for a first down. Marlowe elected to pass but was unable to find a receiver so pulled a bootleg around left end to the Woodland 2 yard line. With the help of the aggressive Mustang forwards Marlowe punched over on another quarterback sneak.

Try for point was wide. Although hampered by numerous penalties the local team continued to hold the Woodland team to a standstill. In the remaining few minutes of the game, Mustang defensive halfback Charley Miller intercepted a pass but the referees called an illegal use of the hands.

## Sunday's Games

11 a. m. — Daly City Mustangs vs. Sacramento Hawks, Jefferson High field.

11 a. m. — Daly City Boys Club vs. Guadalupe NSGW, Potrero Hill field.

Noon — Lew's A Service vs. (not scheduled at this time), Marchbanks Park.

1 p. m. — Daly City Billiards vs. Galli Furniture, Jackson field.

2 p. m. — Junipero Serra Merchants vs. Tufo Jewelers, Marchbanks Park.

2:30 p. m. — Colma Senior Boys Club vs. Vallejo All-Stars, Seals Stadium.

## Betty Van Cleaner Has "Flexform"

There won't be any more of that 1943 look or length to your 1949 skirts if you bring them to the Betty Van Cleaners, 6775 Mission street.

A new "flexform" machine has been added to the cleaning establishment. With the aid of this mechanism, Betty Van Cleaners can insure correct fitting after any clothing has been cleaned.

This is only one of the many items that makes up the Betty Van Cleaners personalized service.

penalty which returned the ball to Woodland, and assessed a 15-yard penalty on Daly City Mustangs. This looked like the turning point of the game.

Enraged at the loss of the ball the Mustangs smashed through the Woodland line and dropped the ball carriers for 9, 12 and 14 yards, respectively. On a fourth down they attempted a long pass which fell into the arms of Woodland end in the end zone but was knocked out, and down by safety man Bob Plyer and Jim Sperou. Mustangs took over and grouched the ball to assure a victory. The gun sounded and the Mustangs went off the field in a highly jubilant and victorious frame of mind.

### Drunkness Costs Four Men Total Of \$45 In Police Court

Failing to appear in police court Friday, three men forfeited a total of \$35 in bail.

All the men were charged with drunkenness.

The men were Robert Nelson, Redwood City, \$5; Joe Gretch, 114 Scotia street, San Francisco, \$10; Joseph Perez, 748 Madrid street, San Francisco, \$10.

Another gentleman, Philip F. Tessier, 443 Citrus avenue, pleaded guilty to drunkenness and was fined \$10. It was this same Tessier who last week was arrested for attacking a billboard because "it got in my way."

### S. F. Gold Rush Show At Portsmouth Plaza Saturday, October 8

San Francisco's year-long observance of the '49er era will near a climax on Saturday, October 8, when the San Francisco Gold Rush Committee presents another free-admission outdoor spectacle in historic Portsmouth Plaza, it was announced today.

Major attractions in the two-hour performance, entitled "San Francisco Night in the Old Plaza," will be Marion Bell, star of "Brigadoon," and a pageant-production, "Tribute to the Pioneers," outstanding.

The show will start promptly at 8 p.m.

## WEEK-END FAIR AT MARCHBANKS PARK

### Two-Day Event To Be Held By Daly City Sea Scouts Will Feature Variety Booths and Many Types of Entertainment

Staging a fair of its own this week end will be the Sea Scout Ship No. 144 of Daly City.

The big county fair will be held in Marchbanks park from noon until midnight both Saturday and Sunday. It will feature everything associated with a fair with the exception of pickpockets and shady gambling devices.

Decorated in as many colors as types of Daly City weather will be a variety of booths. Behind each booth will be a member of the Sea Scout Ship.

Starting down the midway one will be able to do everything from tossing darts to putting out a candle with a water pistol at an undetermined number of feet.

A partial list of activities in the many booths would include: dart games, ring the chicken's neck, ping-pong with an added attraction, coin pitching, nail driving and any other game, outside of bridge and poker.

While the scouts are hawking their wares and games, soft music will float over the fair grounds. It will come from those leading masters of melody, Crosby, Russ Morgan, Tommy Dorsey and Paul Whiteman. These gents will be guests of the scouts, via a juke box.

Refreshments will be served at a nominal cost for all those who grow foot weary and thirsty. Cake lovers, too, will have their day. One of the booths will feature home made cakes, and others turned out by the scouts themselves. These latter wonders of the cook book will be plainly labeled.

Various prizes, donated by just as many Daly City merchants, will be given winners of the games.

Price of admission is free. The games and booths will be open to anyone with a dime or nickel in his pocket.

All money from the two-day fair will be used by the Sea Scouts to buy needed equipment from uniforms to life savers.

Be sure and take in the fair. It will run from noon until midnight this Saturday and Sunday, October 8-9 at Marchbanks park.

Shrapnel was first used extensively by Wellington's forces in the Peninsular War against Napoleon.

### "The Wardrobe Cleaners" Opens In Colma Area

Opening a new cleaning establishment, "The Wardrobe Cleaners," in the Colma - Daly City area this week were William Giltitz and Don L. Funge.

The cleaner is located at 42 San Pedro road, across from the Colma branch of Bank of America. The shop started cleaning clothes Wednesday, October 5.

Under Giltitz and Funge, "The Wardrobe Cleaners" features work in dry cleaning, laundering and minor alterations. Both men are experienced in this line, as they are now operating two other cleaning stores, in South San Francisco.

"The Wardrobe Cleaners" will pick up your dirty clothes and deliver them fresh and clean. This service may be had by calling PLaza 5-4945.

### D. C. Couple's Car Hit By 600 Volt Electric Wire

Coming uncomfortably close to being electrocuted a little after midnight Monday were Mr. and Mrs. Leo Giusti, 110 School street.

The couple were driving in their car when they hit a downed 600-volt trolley wire near 6454 Mission. Sparks lighted up the night, as the wire struck the car three times before Giusti pulled away.

When Giusti examined his car he found electricity had taken off paint in three different places.

Only explanation why the couple weren't injured is that at the particular time neither had any part of their bodies on a section of the car's metal surface.

A few minutes after the escape, repairmen from the San Francisco Municipal Railroad repaired the wire.

### San Mateo Woman Injured In Weekend Auto Accident

Injured in one of two automobile accidents in Daly City over the week end was a San Mateo woman, Mrs. Tess Winters.

Mrs. Winters sustained a cut above her left knee, when the car she was a passenger in collided with a vehicle at 1 p.m. Sunday on Junipero Serra boulevard. She was taken to Junipero Serra hospital, treated, and released.

Her husband, Sidney Winters, 34, 164 Poinsettia, San Mateo, was driving the car in which she was riding. He was coming north on the boulevard when an auto driven by Bert Frisella, 33, 366 88th street, Colma, suddenly swung into the northbound lane from the south lane, police said.

Frisella told officers that an unidentified car stopped suddenly in front of his vehicle. He slammed on the brakes, and his small daughter hit the dashboard. He leaned over to hold her, lost control of his car, and swung into the north lane, police stated.

Both cars will need repaired fenders. Frisella's auto sustained a smashed left rear fender while Winters' auto was struck on the left front fender.

In another minor accident at 1 p.m. Saturday were: Allen Pettigrew, 47 Hillcrest drive, and Gabriel Souza, Anita drive, Millbrae. No one was injured, and only damage was a bent fender on each of the cars.

The accident occurred at the intersection of Mission and San Jose avenue where the cars sideswiped. Pettigrew was driving north on San Jose and Souza was coming south on Mission.

## Sub Training For USN Reserve

The Naval Reserve is trying a new reserve training program, by offering submarine training for reserve personnel.

The organized submarine reserve program is open to all eligible men who meet the following requirements: (a) If no previous submarine experience, under 29 years of age; (b) If some submarine experience under 33 years of age; (c) If

qualified submariner, under 37 years of age.

As a member of the organized submarine reserve you are entitled to pay from \$2.50 to \$5.50 a night for attending a two-hour drill once a week. Also you may take a two-week cruise aboard a fleet-type submarine manned by regular navy personnel at full navy pay plus 50 per cent extra pay for submarine duty.

Members of the submarine reserve are highly trained in their chosen and appointed fields, without interruption to their normal civilian lives in such subjects as engineering, electronics, radar, radio, electricity, and other trades, which undoubtedly will pay off in dollars and cents in civilian life.

For complete information about the organized submarine reserve, phone or visit the navy recruiting station, Post Office building, San Mateo, phone DI 4-2781.

**RUSHING BACK**—Can't guarantee that you'll meet with anything like this back in school, but sport outfits like the one Elizabeth Taylor wears in San Francisco would make even the most reluctant student want to sojourn back around the covered walls. The ensemble features a hip-length jersey blouse with diagonal parallel bands of red, white and blue. With it goes a softly-pleated jersey skirt.

### BOLTS MUST BE TIGHT

That thump in the front of the car when driving over a rough stretch of road often is the product of loose spring bolts, points out the National Automobile Club. It makes for discomfort because the resilience of the spring is destroyed. It is dangerous because it means that one leaf of the spring is taking all the strain. It also contributes to hard steering. The tightening of these bolts, fortunately, is a very easy matter.

## Safeway Head Defends Co-op Enterprises

Safeway stores, as a corporate enterprise, is in reality co-operative capitalism, L. A. Warren, Safeway president, said today.

The Safeway chain represents the pooling of individual savings and is just as much a co-operative endeavor as that of enterprises and groups which are formally labeled as co-operative, Warren continued.

These words of wisdom came from Warren today as he defended the American system against the totalitarian state.

"One of the spots where the American system is most in evidence is in retail stores," Warren said. "We are inclined to treat lightly the idea that the customer is always right. Yet, it is a concept that can flourish only in the soil of economic liberty."

In the totalitarian state," Wilson added, "where the government is at once the manufacturer and the distributor and price-fixer, the customer is always wrong."

## SF Parking Board Plans Progressing

SAN FRANCISCO, October 6—Speedy action toward formation of San Francisco's Parking Authority, as a means of solving the downtown parking problem, was indicated this week by the Board of Supervisors.

A resolution declaring need for the authority will be submitted to the Board soon. Adoption of the measure by the Board is necessary before the Mayor may appoint the five-man governing body for the Authority. The Board asked the Mayor, if possible, to designate in advance the five men he will appoint so they can begin their studies prior to their actual appointments.

Establishment of a Parking Authority here was made possible by a law passed by the last session of the State Legislature which became effective October 1. The Authority will be empowered to build garages for lease to private operators, or provide other off-street parking facilities. The City has a fund of \$5,000,000 for this purpose.

## New Recruiting Station For D. C.

Opening a new army recruiting service in this area, the U.S. Army and Air Force today announced a weekly schedule of visits.

T/Sgt. George T. Smith will be the representative of the recruiting service in the Daly City - Colma area. He will be on hand to answer any questions each Monday from 1 p.m. until 3:30 p.m. at the Colma Branch Post Office.

Sgt. Smith has only recently been assigned to this area. However, he needs no introduction to recruiting in as much as he has been serving with the northern California recruiting area for the past three years.

Sgt. Smith said he will be happy to assist the community in any problems or questions in regard to the army or air force.

Further information on this new service may be obtained by visiting the recruiting office, Room M-5, post office building, San Mateo.

### WISE MODERATION

Apply the Latin proverb, "be wisely moderate" to your driving speed, urges the California State Automobile Association. Remember that excessive speed for prevailing traffic conditions is a major cause of highway accidents — and fatalities.

## Big Smorgasbord Promised Eaters Friday, October 14

Between cooking food for friend husband, ladies of the Grace Presbyterian church this week were fixing tasty tidbits for their smorgasbord October 14.

This promises to be one of the best such affairs in many a month, with the dinner getting underway at 5:30 p.m. and continuing through until 8 p.m.

The 2½-hour feed will be held at the church, Hanover and Evergreen.

The ladies of the Grace Presbyterian Church Circle No. 3 are sponsoring the dinner. All money from the event will be used by the members to further church work. In charge of the evening will be

Mrs. Ora Miller, chairman. Tickets and further information may be obtained by calling Mrs.

Ethel Hodge, 153 Hillside boulevard, at JUNiper 6-1897.

### It's Not Expensive To REDECORATE

Take pride in your home when friends call to visit.

Why are more and more families choosing the Servel GAS Refrigerator?

**IT'S GUARANTEED FOR TEN YEARS!**

Only Servel

**STAYS SILENT, LASTS LONGER**

Talk to folks who've had experience. They'll tell you, "The Gas Refrigerator is your big refrigerator value! It guarantees silent, dependable performance for ten full years!"

How can this be? Servel is different. There's not a single moving part in its freezing system to cause noise or wear. A tiny gas flame does the work. So Servel stays silent, lasts longer. Thousands of Servel's over 2,500,000 owners report theirs still on the job after 15, 18 and 20 years.

See the new Gas Refrigerator models today. You'll find every new convenience. And remember—you're sure of long-lasting noise-free, trouble-free performance with Servel!

You enjoy all these modern features

- Big frozen food compartment
- Plenty of ice cubes—trigger release trays
- Moist and dry cold for fresh foods
- Flexible interior—plastic-coated shelves
- Large dew-action vegetable fresheners

### Death Takes S. F. Man At Cemetery After He Arranges For Crypt

Death is never amusing, but last Sunday it proved ironic.

Peter S. Morich, 65, Twin Peaks Hotel, San Francisco, was visiting Cypress Lawn cemetery. He was inquiring about a crypt for a friend

of his that recently died.

Arrangements for the crypt were made. Morich stepped outside of the office, walked to the flower shop and dropped dead.

He was rushed to Junipero Serra hospital, and pronounced dead on arrival. Cause of death was a heart attack, authorities said.

### DALY CITY—COLMA

Although the Lions Club had no guest speaker Wednesday, Stanford Hannah stepped up to "say a few words" on a recent talk he heard given by Gen. Claire Chennault.

Always a champion of the Chinese nationalists, the former leader of the Flying Tigers spoke out for immediate aid to nationalist China, Hannah said.

The general believes, Hannah continued, that at a small cost in comparison to present European aid this country could still save China from the communists.

Hannah's resume of the Chennault speech was all the more interesting today, as in Washington at this very time, there are those calling for recognition of communist China. Whether or not this recognition is immediately forthcoming, no one can say.

However, it is certain that the general is almost alone in his efforts to pour more money into China. The recent "White Paper" on China has virtually sealed the doom of the present nationalist regime.

Following the talk by Hannah, a report was given on the Lions Club joint barbecue at Oak Cove Park last Sunday. Some 200 members of the organizations and their friends were one hand to enjoy the food served by the Daly City - Colma - Brisbane Lions Clubs.

### Vintage Festival Coming To S. F. Friday Oct. 7 to October 16

Baccari's ninth annual vintage festival, which opened Saturday in the San Jose Civic Auditorium, will move to San Francisco next Friday (October 7) it was announced this week.

The Festival will move to the San Francisco Press Club October 7 with activities continuing there until October 14, when coronation of a Grape Queen, Wine Queen and Festival Queen will take place in the Rotunda of the city hall. The Festival closes Sunday, October 16, at St. Helena with an open house at the wineries and a pageant in the baseball park there.

### CLEAN SPARK PLUGS

Fouled or improperly adjusted spark plugs in your car's motor cause gasoline waste. Spark plugs should be cleaned and adjusted, or replaced, at least every 5,000 miles.

Glacier National Park in northwestern Montana was created by Act of Congress on May 11, 1910.

Kern county was originally called Buena Vista county.

### Fewer County Voters November 8

Going to the polls in the November 8 special election will be 7,000 fewer San Mateo county registered voters than for the last general election on November 2, 1948.

The total number of persons registered to vote include 98,238 as compared with 105,086 at the general election.

Despite the decrease in registration there is an actual net gain of 7,305 since January 1 of this year. For failure to vote in the presidential election, approximately 14,000 names were removed from the county rolls.

Subsequent cancellations by death or transfers totaled 3,540 since January 1, but the new registration since then is 10,845.

San Francisco's first Committee of Vigilance was organized on June 9, 1851.

## You Just Can't Get Something For Nothing, Kids -- Even If Mom And Pop Do Get A "Free" Afternoon

Although parents who send their children to the weekly "Kiddie Show" at the Daly City Theatre Saturday will have a "free" afternoon, this does not mean free tickets.

Apparently some persons interpreted the "free" in terms of money last week, and many a child was sent to the theater without price of admission.

Theater Manager D. C. Anderson said the theater has arranged the special show for children, but the price for a ticket remains the same.

The "Kiddie Show" is a special event of the theater each Saturday, and features movies expressly for children.

### SALMON ANGLERS ENJOY FIRST-RATE SPORT

Salmon anglers working along the Sacramento River between Meridian in Sutter county and Colusa in Colusa county have been enjoying some first-class sport during the past few days, reports the National Automobile Club. They have been taking many fish and most of these have been large.

### STEELHEAD FISHING IMPROVES

Steelhead fishing along the Eel River in Humboldt county has been improving during the past week, reports the National Automobile Club.

## "Glamor Is The Gimmick" Comes To Geary Theatre

A hilarious musical comedy, "Glamor Is The Gimmick," comes to the Geary Theatre October 10, starring Hollywood's international star, Fortunio Bonanova.

Supporting Mr. Bonanova, who is widely known on the dramatic stage as well as the screen, opera and the concert platform, will be an especially selected cast of Hollywood favorites. Included in the cast are Sandra Annsen, Gloria Lind, Tomas Kirby, Jac George, Emily Heath, Sid Melton, Hal Cleveland, Maripat Cook and Ross Van Nibroc.

The play was written and composed by Mr. Bonanova and Ambrose Barker and is directed by Mr. Bonanova.

During the course of the play's engaging story arias are sung from "Don Giovanni" and "Carmen."

The story is simple and holds one's interest every minute. A worried theatrical producer is trying to raise finances. A charming flamboyant Spanish gentleman (Bonanova) is hilariously thrust into the proceedings with laughable but happy results.

The play has two significant keynotes: fun and melody.

Fortunio Bonanova has won for himself a most enviable reputation. An outstanding baritone in European grand opera he attracted the attention of famed producer Gilbert Miller, who brought him over from Paris to star on Broadway opposite Katharine Cornell.

Hollywood beckoned, and he is now the screen's favorite Latin star. His picture successes are many and varied, from the Italian general in "Five Graves to Cairo" to the bullfighter in "Fiesta."

Los Angeles county is in first place nationally for volume of milk produced and value of dairy products in California.

On a per capita basis, Australia ranks second to the United Kingdom among the tea-drinking nations of the world.

### SM County Tax Rates Down, As Decreases Noted Throughout State

Following the general trend, San Mateo county is one of 45 in California which shows a decrease in county tax rate for general purposes adopted for 1949-50.

Drop in county general purposes rate inside municipalities is 45 cents when 1949-50 is compared with 1948-49.

The San Mateo county-wide rate for 1949-50 for general purposes is \$1.81, compared with a rate of \$2.26 for the 1948-49.

### USF Offers Labor Relations School

A fall session of the University of San Francisco Labor-Management school will be held this year from October 6 to December 15.

Open to bonafide union members and representatives of management, the school seeks to give the students a broad insight into the many problems surrounding industrial relations today.

Classes are held on Tuesday and Thursday evenings. There is no fee and no credits are offered. Courses will include everything from "Some Factors in Good Labor Relations" to "Public Speaking." No previous educational requirements are demanded.

The registration date for the Labor-Management school will be October 1 from 9 a. m. to 9 p. m. at USF.

### Income Tax Return Errors Can Be Rectified

The procedure and rights of taxpayers to appeal from changes on income tax returns as proposed by audits or investigations were outlined today by Collector of Internal Revenue James G. Smyth of the First California District.

The Collector stated that anyone believing there is an error in any bill, statement, or refund in connection with their tax are entitled to present their reasons to the Collector of their district and have the matter reconsidered.

If any audit or investigation causes proposed changes in your tax, to which you do not agree, you are entitled to have the matter reconsidered by the Collector or the Internal Revenue Agent in Charge in your district, or who ever made the disputed decision.

If no agreement is reached with the Collector, you can appeal to the Internal Revenue Agent in Charge. Any decisions by the Internal Revenue Agent in Charge may be appealed to the Technical Staff in your District. If you do not agree with the decisions of the Technical Staff, further appeal can be made to the Federal Courts.

### SM Co. Tops Bay Area Number Housing Units Built During August

In residential construction San Mateo county has far outstripped six other bay area counties, the U. S. labor departments bureau of labor statistics reported today.

During August there was a 1,550-unit total, an increase over the preceding month of July.

Also in August San Mateo county was ahead of other bay area counties, with 750 units. Contra Costa county was next, with 370. Alameda county, with 330 starts, was 100 below the month of July.

The bulk of the redwood forests of California stretches for 400 miles along the Pacific Coast from Big Sur northward to the Oregon border.

To produce one dry ounce of insulin, 1500 head of cattle are required.  
California produces eight per cent of the national apple crop.

## Lots of Dog-gone Room

When a sportsman asked Fisher Body officials how many hunting dogs could get comfortably into the expanded luggage compartment of a 1949 Fisher Body, a quick experiment was made with the results seen above—a three-star success. The extra room permits more luggage, too.

### DRIVING HABITS

If you drive an automobile, it's a good idea to review your driving habits at intervals, advises the California State Automobile Association. Are you giving signals correctly? Are you keeping within safe speed limits? Are you alert, observant and courteous when at the wheel? Even though you consider yourself a good driver, don't be too sure.

## UC Improves Purification Of Cancer Virus

An advance in the purification of a virus which induces cancer in rabbits has been reported by Dr. H. K. Schachman, of the University of California Virus Laboratory.

Dr. Schachman reported that what appeared to be a reasonably pure form of the rabbit papilloma virus, possesses impurities which can be removed by physical chemical techniques.

The virus is widely used by scientists in studying the mechanisms by which cancers may be induced by viruses.

The impurity was discovered when Dr. Schachman and his colleagues noted discrepancies in the results of studies of the physical and chemical nature of the virus preparation. He found that the original virus preparation contained a viscous impurity which could be removed under altered chemical conditions.

Presence of the impurity distorted the chemical character of the virus preparation. The improved virus preparation will make possible more accurate studies of the characteristics of the virus and of the mechanisms by which it forms cancers in animals.

The research was done in collaboration with Dr. Wendell Stanley, Nobel Laureate and director of an extensive virus research program at the University of California.

## UC Reports Old Age Diseases Up

The advances of modern medical science have produced a strange paradox: at a time when death from infectious diseases is becoming almost rare among children, severe infectious ailments and deaths therefrom are increasing among elderly people.

This is a conclusion of a study of meningitis, pneumonia, and diphtheria made by Dr. Henry D. Brainerd, assistant clinical professor of medicine and pediatrics in the University of California Medical School. The study was made on three unselected groups of patients admitted to the San Francisco City and County Hospital.

In the case of all three diseases, people over 45 more often succumb than persons under 45. Further, the incidence of diphtheria among the aged is increasing, not only numerically but proportionately to the aged population.

In pneumonia and meningitis, the physician said the infections apparently are not more severe among older persons. The infection can be knocked out with antibiotics in older as well as in younger people. But the older people often cannot overcome the handicap of accumulated organic damage, including heart disease and other ailments.

The picture in the case of diphtheria is slightly different. Again the infection is not more severe, but the older patients appear to be more susceptible to the toxins which cause death from this disease. The physician's report was printed in the journal, Geriatrics.

### SAFE ASSUMPTION

When you see a "one-eyed" car approaching at night, always assume that the light that has gone out is on your side of the oncoming car, and give it all the room possible. By so doing you avoid the risk of a side-swipe, which might prove disastrous.

### THE RIGHT WAY

When driving, always observe pedestrian right-of-way, and above all, remember that you are never justified in taking the right-of-weight.

### DEER HUNTING EXCELLENT

Deer hunting has been excellent during the past week in the Colville, Bridgeport, Twin Lakes, and Sonora Pass areas of Mono county, reports the National Automobile Club. Most of the hunters out have been getting a buck.

### STRIPERS RUN

Striped bass have been running during the past few days in the waters just off Rio Vista and Benicia in Solano county. Fair numbers of fish have been taken and most of them are of average size.
